

PERSONALDETAILS

Name: Dr. Visheshata Joshi

Academic qualifications: M.Sc. Zoology, Ph.D.

Email address: joshivish2007@gmail.com

Present post: Associate Professor

Total Teaching Experience: 18 years

My Guide of Ph.D.: Prof. S.C. Joshi, University of Rajasthan , Jaipur

PUBLICATIONS

1. Joshi, S. C., & **Joshi, V.** (2004). Comparative Evaluation of Hypolipidemic activity of Panax ginseng and clofibrate in cholesterol fed rabbits. *Advance Pharmacology and Toxicology*, 5(1), 19-26.
2. Joshi, S.C. and **Joshi, V.** (2004) Comparative evaluation of hypolipidaemic activity of Panax ginseng and clofibrate in cholesterol fed rabbits. *Ade Pharmacol. Toxicol.* 5(1): 19-26
3. Joshi, S.C.; Goyal, R.; Gajraj, A., Mathur, R., **Joshi, V.**, Gulati, N. and Bairwa, G.L. (2005) Evaluation of toxic potentials of organochlorine pesticides on reproductive system in mammals A Review. Anusandhan: *The J. Innovative Natural Sciences* 1(1), 68-77
4. Joshi, S. C., & **Joshi, V.** (2007). Effect of Ammomum subulatum on oxidative stress and atherosclerosis in cholesterol fed rabbits. *Atherosclerosis*, 8, 9.

CONFERENCE/SYMPOSIUM/WORKSHOPSATTENDED

1. Workshop on "Health and Hygiene" held at **Shri Bhawani Niketan P.G. College, Jaipur** on 19 November, 2019.
2. Orientation Programme held at **Shri Bhawani Niketan P.G. College, Jaipur** from 13-20 July, 2022.

CONFERENCE PAPERS

1. Joshi, S.C.; Sharma, T.; Gajraj, A., Mathur, R., Goyal, R. and **Joshi, V.** (2003): Evaluation of hypolipidaemic properties of Cinnamomum verum in experimental hypercholesterolemic rabbits. **International Seminar on Recent Development in Atherosclerosis Research, BHU, Varanasi**, December 1-3, P.68 (Abstr. No. 60).
2. Mathur, R.; Gajraj, A.; Goyal, R., **Joshi, V.** and Joshi, S.C. (2003) Effect of methyl parathion on epididymal function of rat. **National Conference on Zoology (NACoz). Opportunities and Challenges, Kanyakumari, .**

3. Joshi, S.C., **Joshi, V.**, Gulati, N. and Bairwa, G.L. (2004): The lipid lowering effects of Ammomum subulatum in experimentally induced atherosclerosis. **National Seminar on Environmental Management and it's Impact on National Development, Kalyan, Mumbai**, February 28- 29 (Abstr. No. OP. 30).
4. **Joshi, V.**; Sharma, T.; Mathur, N., Bairwa, G.L. and Joshi, S.C. (2005) Protective effects of Ammomum subulatum extract in experimentally induced atherosclerosis and oxidative stress in rabbits. **International Conference on Sustainable Development and Resource Utilization:Current Trends and Perspectives, Jaipur, Rajasthan**, September 23-25, p.139 (Abstr. No. P-100).
5. Sharma, T.; **Joshi, V.**; Lowry, M. and Joshi, S.C. (2005): Supplementation of Cinnamomum verum extract to rabbits decreases atherogenic plaque formation and increases antioxidant status. **International Conference on Sustainable Development and Resource Utilization: Current Trends and Perspectives, Jaipur, Rajasthan**, September 23-25, p. 140-141 (Abstr. No. P. 102).
6. **Joshi, V.**; Bariwa, G.L.; Lowry, M.; Sharma, A. and Joshi, S.C. (2005): Reduction of oxidative stress and atherosclerosis by using 70% methanolic extract of Ammomum subulatum (Family: Zingiberaceae) in cholesterol fed rabbits. **National Conference on Environment and Natural Disaster Management, Jaipur, Rajasthan**, November 28-30. P.90 (Abstr. No. PP. 46).
7. Sharma, T.; **Joshi, V.** and Joshi, S.C. (2005): Effect of Cinnamomum verum on lipid peroxidation in experimentally induced hyperlipidaemic rabbits. **National Conference on Environment and Natural Disaster Management, Jaipur, Rajasthan**, November 28-30. P. 104 (Abstr. No. PP. 60).
8. Gupta, P; **Joshi, V.** Review on Adverse effect of BPA on Human Health. International Conference on “**Green Energy & Sustainable Environmental Science Practices (GESEP2023)**”Department of Chemistry, University of Rajasthan, Jaipur during 30 -31Jan. 2023.
9. Gupta, P; **Joshi, V.** Review on Bisphenol a : an Environmental Toxicant. **International Conference on Applications of Nanotechnology in Transforamtion of Environment , Agriculture and Healthcare Department of Zoology, University of Rajasthan, Jaipur** during 3 -4 Nov. 2023.

SPECIAL ACHIEVEMENTS:

- Awarded by “**Lady Legend Award**” presented by Saksham Society, Jaipur
- Organized one day workshop “Health and Hygiene” and Awarded by “**National Health Care Award**”
