

IQAC Coordinator's Message

GREETINGS!

As a quality sustenance measure as directed by NAAC, Shri Bhawani Niketan P.G. College established Internal Quality Assurance Cell (IQAC) in 2025. IQAC being an integral part of the college works towards achieving the goals viz. Enhancement of quality by developing a system for conscious, consistent and catalytic improvement in various aspects of the functioning of the College.

IQAC assures the stakeholders i.e. students, parents, teachers, employees, management, employers, funding agencies, and society in general- of the accountability and transparency in the quality management system of the institution and its concern for ensuring the quality of education being imparted.

The internal quality assurance system is a step towards excellence. The IQAC of Shri Bhawani Niketan P.G. College conducts various programs for the faculty, administrative staff, and students. It organizes an open platform to provide face-to-face interaction between students and college authorities. It conducts staff assessments to provide valuable feedback for quality sustenance and improvement in teaching, learning, assessment and research experiences in the college. It documents and reports various activities of the college for various higher education requirements. The infrastructural resources of the College have been continuously followed up to assure adequate, appropriate, and better facilities to ensure a conducive and enabling environment for teaching, learning, evaluation, and research. Through all these measures IQAC happens to be one of the important components of the college which ensures quality and continuous improvement in all the aspects of the college.
